Alcohol and Drug Program Administration

SUBJECT: **SECOND CHANCE WOMEN'S RE-ENTRY COURT GRANT AWARD**

This is to inform you about our intent to amend the alcohol and drug services agreement with Prototypes, Contract No. H-801596, for women focused residential services; and to the alcohol and drug services agreement with The Regents of the University of California, Los Angeles, Contract No. H-700244, for evaluation services.

This action is consistent with the recommendations that were adopted by the Board of Supervisors on March 13, 2007, to accept a grant award from the State of California, Department of Corrections and Rehabilitation (CDCR), Division of Community Partnerships, and to take certain actions needed as a result of the grant award.

This grant is a unique and innovative three-year pilot program designed to assess the needs of eligible women offenders and their children. The program will develop a multi-agency plan that coordinates with CDCR to oversee the delivery of residential wraparound services to women parolees and women probationers facing an imminent state prison commitment.

If you have any questions or need additional information, please let me know.
